## Standard Pavement Signs

Elementary are proud to offer their quality premium 'A' Frame style self standing display sign.

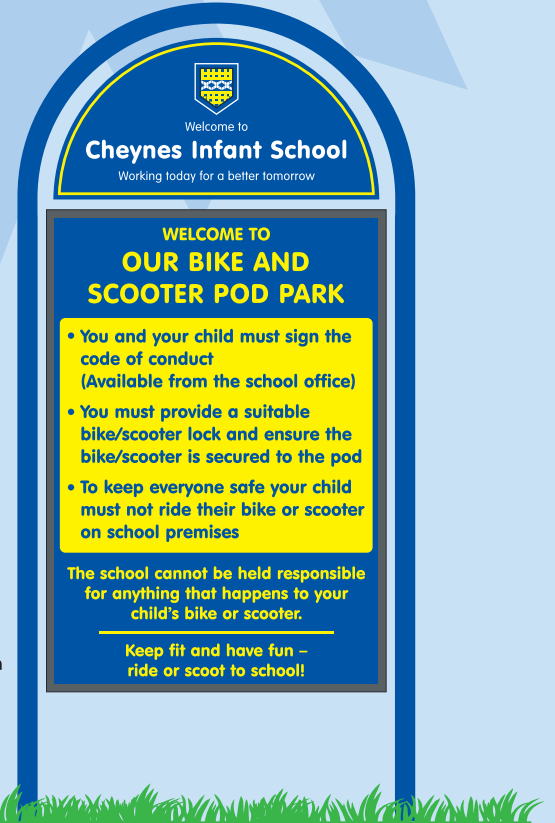

Complete with a main display panel with a separate curved header / logo display panel above and an optional clear poster cover. This 'A' Frame is ideal to advertise your special events or as a semi permanent display.

These are constructed of corrosion resistant aluminium frame with Zintec steel panels, they are white as standard but can be painted to a standard Ral colour.

They have a latch arm to both sides and will fold flat for easy moving and storage. The clear poster cover fits using magnets and is made of shatter resistant polypropylene.

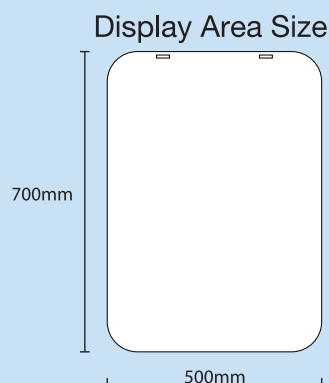

### 'A' Frame Pavement Signs

Eurasign, the lightweight yet robust self standing pavement sign with a top hung panel that displays your text or image to both sides.

The Aluminium or Aluminium Composite panel is top hung within a U.V. resistant, self coloured, rigid polypropylene moulded frame which supplies superb durability and corrosion resistance.

Rugged concealed hinges allow the self locking frame feet to fold for easy use and storage. The hanging panel is easily changed to allow new panels to be fitted for new messages to be shown.
